

ADVANTAGES

- Flexible system design with engineering support available
- Robust design of electrostatic cells and electrical system
- Enables horizontal discharge of exhaust
- Integrated in-line fan available
- Low operating cost, long-term kitchen exhaust solution
- Automatic cleaning electrostatic precipitator with PLC controls
- Low water usage

Application

Robust, large-scale or plant room type electrostatic precipitator with automatic cleaning to control kitchen exhaust emissions from all types of cooking applications

Type	Dimensions WxHxD (mm)	Weight (kg)	Airflow (l/s)
